## Abstract and PDF

Abstract requirement

Abstract required to register submission ▼

PDF requirement

PDF required to complete submission ▼

Registering a submission never requires a PDF.

☐ PDF format checker

## Conflicts and collaborators

☑ Collect authors' PC conflicts
☐ Collect PC conflict descriptions ("Advisor/student", "Recent collaborator", "Institutional", "Personal", or "Other")
☐ Collect authors' other collaborators as text

▶ Definition of conflict of interest

When can reviewers see conflict information?   When authors or tracker are visible ▼

## Submission fields

▼   **DOI URL**

Type    Text ▼

Description    Provide DOI URL if you would like to receive "artifact available" badge (example: https://doi.org/10.5281/zenodo.2459444).

Condition    Always shown ▼

Required    No ▼

Add submission field

## Topics

Authors select the topics that apply to their submissions. PC members can indicate topics they're interested in or search using the "topic:" keyword.

**New topics** (enter one per line)
